

Procédure pour cocher le SMTP Authentié pour envoi depuis une imprimante ou logiciel.

Clic sur la boîte qui doit avoir une licence

The screenshot shows the Microsoft 365 Admin Center interface. In the left-hand navigation pane, the 'Utilisateurs' (Users) section is expanded, and the 'Printer' user is highlighted with a red box and the number '1'. The main area displays a list of users with columns for 'Nom complet', 'Nom d'utilisateur', 'Licences', and 'État de syn.'. The 'Printer' user is listed with the license 'Microsoft 365 Business Basic'. On the right side, the 'Printer' user's profile is visible, showing the 'Courrier' (Mail) tab selected with a red box and the number '2'. The 'Gérer les applications de courrier' (Manage mail apps) link is highlighted with a red box and the number '3'.

The screenshot shows the 'Gérer les applications de courrier' (Manage mail apps) settings for the 'Printer' user. The 'SMTP authentifié' (Authenticated SMTP) checkbox is checked and highlighted with a red box and the number '4'. Other checked options include 'Outlook sur le web', 'Version de bureau d'Outlook (IMAP)', 'Services web Exchange', 'Mobile (Exchange ActiveSync)', 'IMAP', and 'POP'. The 'Enregistrer les modifications' (Save changes) button is visible at the bottom.
